

DECLARATION OF CONFORMITY

Vehicle Registration:

Product: Sidescan Predict

Model: SSP-6000W

The above products have been assessed and independently tested against Transport for London's (TFL) Progressive Safe System (PSS), and, if installed correctly, can form part of the requirements of the updated 2023 Direct Vision Standard (DVS) as detailed in the table below.

TFL Technical Specification	Report Number
Progressive Safe System: Technical Specifications Blind Spot Information Systems (BSIS)	Project: ENT10880_PSS Data Pack: ENT10880_1

Operators must ensure that systems are installed correctly and perform maintenance, periodically or as required, to remove contaminants, check for damage and/or any misalignment.

Signed for and on behalf of: Brigade Electronics Group Plc
